

17 June 1948

ER 9884

Thank you for your immediate response to my letter of 7 June 1948. Your answer was very complete and most helpful to us.

Several questions remain which, I am sure you will appreciate, should be discussed between us personally. I would appreciate your informing me when it might be convenient for you that we get together.

Sincerely,

s/ RHH - Disp thru CR 6/21/48.
